About Us

THE DYNAMIC DUO

Above and Beyond is run by Helen Spary and Suzanne Taylor. Between us we have more than 20 years' experience organising everything from intimate wedding parties to global conferences and from area meetings to major exhibitions.

- We're old enough to have a wealth of experience, yet young enough to have the vision and drive to keep breaking new ground.
- We love a challenge and pride ourselves on innovative, custom-built solutions.
- And we thrive on the attention to detail that delivers events which are above and beyond your wildest hopes.

ABOVE PAR FOR THE COURSE

A successful corporate golf day is a proven way of raising your company profile and building relationships with key customers and opinion formers. Above & Beyond has access to over 300 of the top golf courses in the UK, Ireland and Europe, and can provide as much help as you require:

- Tournament format: Advice including tee times and type of game, e.g. shotgun, Texas scramble or two-tee start.
- Scorecards: Pre-prepared with names plus handicaps if playing a Stableford format.
- Event management: From providing a tournament desk to organising nearest the pin and/or longest drive competitions.
- Scoring: Verifying scorecards and compiling results for prizegiving.

Branding: Organising corporate displays and prizes incorporating your logo.

Call us now – and make sure your golf day goes with a swing

Weddings

GROOMED FOR SUCCESS

Weddings are often the biggest celebrations a family holds. Even the smallest can involve co-ordinating more than 25 suppliers – but with today's hectic lifestyles, few brides and grooms or their parents have the time to search out the best venue, or worry about whether they're getting value for money.

No matter how modest or extravagant your budget, we can find the dream setting for your big day – barn, castle, hotel or marquee. We can get your invitations designed and mailed on time, order your cake and sort all those little extras that will make the day extra-special.

Call us now – and make sure the only hitch is the one you're planning!

Parties

CAUSES FOR CELEBRATION

Every Above & Beyond event is as individual as our clients. We never use off the shelf packages as a one size fits all solution – we tailor-make each party or celebration to fit the occasion.

So although several clients may request the same basic theme, from art deco to cartoons, or wild west to a British pub, the end results will never be identical.

Again, we can manage the whole event, or just the bits you don't want to do. We can also arrange entertainment and all those little extras – from photographers to vodka luges, or human statues to fire-eaters and jugglers.

Be our guest! For a party that's as enjoyable for you as for those you've invited, call us now.
